5 In the present case, there have been several complaints from the disciples & other persons interested in the Mutt, about its mismanagement (Vide pages 41 to 118 of the Vernacular Records)

6 As regards other conditions precedent to the appointment of a committee under Section 26 of the Regulation, the following are the reasons which may make Govt believe that there has been gross mismanagement of the property, of the institution or wrongful alienation of the same by the Mathadhipathi,

(i) that the Swamy has not been able to discharge the debts (or even materially reduce them) though he has gotten ample time repeatedly from 1919 to 1935;

(ii) that he has not reduced the heading and establishment charges and increased the surplus of the Mutt;

(iii) that he has not maintained the accounts properly, though repeatedly instructed to do so;

(iv) that though Sangam Dewadasi income

Lands endowed to the Mutt by Govt are not alienable under Sec 30 of the Regulation the Swamy knowing it to be an irregularity wilfully alienated about 26 acres of those lands to one Venkatakrishnaiah of Kallapa and another B. Sreenivasiah of Belakavadi in about 1929; and again in 1934;

(iv) That it is not possible to discharge the liabilities of the Mutt even in several years to come if the management is to continue under the control of the Swamy;

(v) That the present Swamy is incapable of managing the affairs of the Mutt and freeing the same from its heavy encumbrances.

7 The above facts may perhaps go to indicate that the conditions laid down in Section 26, are present, necessitating the appointment of a Committee to inquire into the affairs of the Mutt in question.

above facts there, that the Swamis should

proof that he is not managing the affairs

as seen from para 10 of the S.D.O's report of

para 16 of the report, it is stated that
the Swamis after alienated certain Inam
lands in 934 in a very prejudicial
manner - As at the rate at which
the Mahadhipathi is managing the
mutt affairs, there is no probability
of the Institution existing even
for a few years, it is felt that
the intervention of Govt is necessary
at this stage.

SIR,

Management of Kolekere Virakta Mutt at Belakavadi in Malavalli Taluk.

Adverting to G.O.No.772-3/Muz.110-32-2 dated 14-11-1932 allowing three years' time to the Swamigalu to pay off the debts completely, I have the honor to forward herewith in original for reference and return vernacular records and correspondence ending with letter No.M.375/32-33 dated ~~13-3-~~24-3-1936 from the Deputy Commissioner, Mysore District, on the above subject and to state that the present state of Mutt affairs is fully explained in the report of the Sub Division Officer contained in the records. The Deputy Commissioner states that even though several opportunities were given to the Swami from the year 1919, he has not improved the condition of the Mutt and discharged the debts completely but has alienated valuable properties belonging to the Mutt. He, therefore, recommends that the management may be assumed by Government for a period of 8 years.

2. This is a case in which action will have to be taken under Section 27 of the Mysore Religious and Charitable Institutions Regulation. The only course open is to institute an enquiry as contemplated in Section 26 of the Mysore Religious and Charitable Institutions Regulation and then take further action under Section 27, if necessary, on receipt of the Committee's report. In the present instance, there has been a complaint from the disciples and other conditions precedent to the appointment of a Committee are present. I request therefore, that sanction of Government to the appointment of a Committee

may kindly be obtained, the personnel being fixed by me in consultation with the Deputy Commissioner.

I have the honor to be,

Sir,
